Workshop 1.0 ~ Preparation is Key!

March 3, 2018

Finding the right grant can be challenging! Workshop 1 walks you through the process from A to Z! Identify your organization's specific needs and get tips on finding *Funds That Fit*. Our knowledgeable facilitators will help you begin researching and identifying resources to narrow and select a grant that aligns with your organization. Participants will be asked to complete their research and bring their selected funding opportunity to Workshop 2 ... where we will begin writing!

Workshop 2.0 ~ Mixing the Ingredients!

March 10, 2018

Participants should come prepared with the ingredients to begin writing a grant narrative. Workshop 2 will get you on your way! Identify ancillary grant documents, such as a W9 or IRS 501c3, as well as who to contact when you need to obtain them. Get tips on creating a compelling and persuasive grant narrative and one-on-one support as you begin writing. All participants will be asked to complete a rough draft of their narrative to send to the Facilitator prior to Workshop 3 ... where we put it all together!

Workshop 3.0 ~ Cooking up a Winner!

March 24, 2018

Prior to attending Workshop 3, all participants will have sent their draft grant narrative to the Facilitator for review and suggestions. In Workshop 3, participants will put it all together! Finalize your grant narrative, complete your application package and submit your proposal!

- **\$79 for complete 3-part Workshop Series if registering by February 16; \$99 after Feb 16.**
- Each workshop will include a short educational component and a hands-on working session.
- Maximum of 15 participants—sign up early to reserve your place!
